Notre Dame High School Additional Financial Aid Request Form

We understand that unforeseen circumstances may arise wherein a family may need additional financial aid in order for their student(s) to attend Notre Dame. The Board of Trustees has a process to allow families to apply for additional aid in such situations.

This form enables a family to apply for additional financial aid consideration over and above the FACTS aid recommendation which appears on the 2020-21 tuition invoice. To be considered for additional aid the following requirements MUST be met before the Admissions Committee will review a request:

- 1. The FACTS on-line financial aid application & all supporting documents **must have been** received by FACTS.
- 2. Notre Dame must have received the FACTS financial aid recommendation.
- 3. The registration fee (if applicable) and a minimum good faith tuition deposit of \$175 must have been Received by May 15, 2020 or upon acceptance.

After the above requirements are met, **submit this form to the ND Business Office by May 15, 2020**. Your application will then be placed into a pool for consideration for additional financial aid. The Admissions Committee will review all such applications and award additional financial aid to families based on the merits of each application and the parameters of available financial aid. There is no assurance that additional financial aid will be given.
